

## Corporate Sponsor

Join us in developing the future of lubrication and reliability technology at our 3rd annual summit!

## Welcome

**LRVS 2021** was a hugely successful event following up from LRVS 2020, our inaugural event. We continuously recognize the need for a summit of this nature. Lubrication and Reliability is present in most industries such as Oil & Gas, Petrochemical, Manufacturing, Mining and Transportation to name a few. Similarly, this summit is a meeting place for major global stakeholders and recognized Industry influencers from various sectors.

## Corporate Sponsor Benefits

LRVS 2022 brings together a diverse range of topics allowing all of your team members to be trained in one location!

### Logo Placement

Your Company's logo will be placed on the website and on associated social media posts.

### Multiple Logins

Let's get your reliability, maintenance and engineering teams to attend various sessions and gain valuable information which can be implemented in your company. This is a great way to have your teams gain knowledge directly from industry experts and even ask them about challenges. It is a learning playground. The number of logins will be determined on your Corporate Sponsorship level. (Levels start with 50 attendee logins but can be tailored to your specific needs).

## Corporate Sponsor Benefits Cont'd

### Partnership

Partnership will be acknowledged on the website, social media campaigns and in the app for all our attendees.

### LRVS Content

Access to over 150 sessions from LRVs 2021 & LRVs 2020 which includes panel discussions and other industry topics led by industry experts.

### Hang Out Room

Catch up with your work colleagues or have quick meetings with attendees in this dedicated space.

## Professional Development

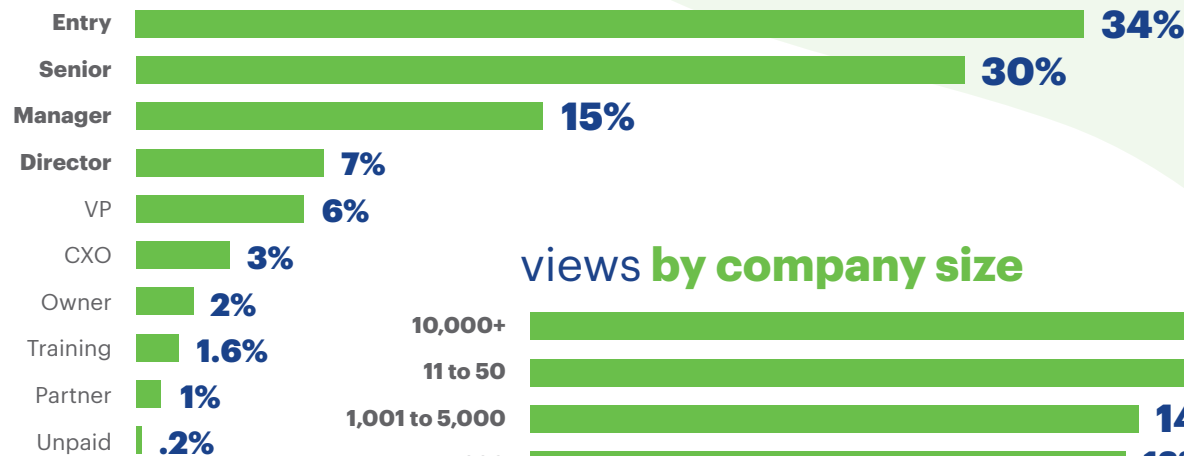

All Attendees will receive a Certificate of Attendance and can redeem recertification credits for ICML accreditations and other CEU (Continual Education Units). Attendees get to interact directly with industry experts on a wide range of topics inclusive of reliability, maintenance, condition monitoring etc.

### Recruitment Opportunities

Employers searching for talent will have the opportunity to post job openings in the platform. Employers/ Recruiters can directly interact with potential candidates and even have video conversations with them. Think of this as a pre-interview meeting space.
