LRVS 2023

LRVS has become a community of like minded professionals who can connect, collaborate and add value to each other. It is a platform where stakeholders from across various sectors such as Oil & Gas, Petrochemical, Manufacturing, Mining, Energy and so many more can share ideas, chart new ways to revolutionize the sector and stay informed of the current trends.

LRVS is a meeting place for major global stakeholders and game changers who are making their impact on the world.

LRVS Value

Engagement:
91K

From connecting to speakers, sponsors or other attendees to sending messages and engaging with others, **attendees were very active on the platform.**

Ad views
51K

On average, a diamond level LRVS exhibitor's banner ad received **51,000 views.**

Connections
700+

Attendees made over 700 connections with speakers, sponsors and other attendees throughout the conference.

Social activity:
3K

Social media engagement 3,000 page views on LinkedIn.

Web views:
27K

Over 800 views per day on the website with a average time of 50 mins being spent on the website.

LRVS provides various ways for exhibitors to support the community while gaining exposure, as well as other benefits:

- **Connecting** with international experts and influencers who can evaluate your products and influence their adoption
- **Positioning** your company as a leader in the Lubrication and Reliability space by showcasing your innovations
- **Gaining** worldwide recognition and visibility for your brand with enhanced branding opportunities
- **Demonstrating** your company as a thought leader and positioning your services and technology in front of end-users and influencers
- **Creating** opportunities to recruit top tech talent and building relationships with in-demand professionals
- **Fostering** employee development—give conference passes to technical staff who will develop deeper connections with industry peers and bring new ideas back to your company

Speaker Commitments

You are already giving us the most valuable things that we could ask for; your talent, expertise and time. We just ask that you do your session to the best of your ability and we will take care of the rest! There is **no cost** to speakers and you will have **full access** to the event. To make this event a success, we would love to highlight you on social media and various promotions. We will be sending you all promotional assets as they are finalized.

Additionally, speakers will be given **five complimentary tickets** to LRVS 2023 as well as a **discount code to share** with interested attendees.

Speaker Agreement

LRVS 2023 has created an digital Speaker Agreement and Information Request Form for submitting abstracts and biographical information.

Please use this form when sending LRVS your content and be sure to review the Terms & Conditions section before hitting 'submit'.

Direct Live Attendee Chat

Engage with attendees through chatting, sharing files or even video calls to help share your knowledge across borders.

LRVS FAQs

How long is my presentation?

Your presentation will be a maximum of 20 minutes.

What is the deadline to submit my presentation?

You are required to submit an outline of your talk by:

- **March 13, 2023 - APAC**
- **June 30, 2023 - AMER**
- **September 1, 2023 - EMEA**

If you're doing a pre-recorded video, the final recording of your video must be submitted by:

- **May 12, 2023 - APAC**
- **August 18, 2023 - AMER**
- **September 22, 2023 - EMEA**

How do the attendees get access to my session?

On the day of the event, attendees will be able to access your session via the Lubrication & Reliability Virtual Summit homepage or through an email we send out.

What if I want to change my presentation after I have submitted it?

Please notify us at info@lrvs.events immediately.

In order for us to have sufficient time to review changes, you must submit the changed presentation no later than:

- **May 12, 2023 - APAC**
- **August 18, 2023 - AMER**
- **September 22, 2023 - EMEA**

How do I record my session?

You can record your session from your laptop webcam, high quality phone camera or a quality digital camera.

High-quality videos often have better engagement .

We've once again partnered with **One Tree Planted** to join the reforestation initiative in our commitment to sustainability!

For every paid LRVS 2023 attendee, we will plant one tree. Optionally, Exhibitors can also get involved and have one (or 20) tree/s planted depending on their booth size.
